

CATALOGUE

1891 FALL AND WINTER 1891

NOTICE.

It will facilitate the filling of orders if our patrons will carefully note the following :

ALL MONEYS SHOULD BE REMITTED DIRECT TO THE FIRM

Terms.—Our terms are C. O. D., unless prepaid by draft, P. O. Money Order or Express Money Order, which in each case should be made payable to the order of DEUTSCH & CO., New York City, or, if more convenient, by money enclosed in registered letter. Postal Notes should also be registered.

A DEPOSIT REQUIRED ON ALL C. O. D. ORDERS.

No goods will be sent C. O. D. for amounts less than Five Dollars; all such orders must be paid for in advance. We also require a deposit of one-fourth the amount on all orders for outfits, suits made to order, or any other article made specially; the balance will be collected by the Express Company, including return money charges.

Refunding of Balances.—When a balance is due after filling an order it will be returned at once with bill of items. Amounts under one dollar will be returned in postage stamps; over that sum by check, which should be used or deposited in bank AT ONCE, to avoid the possibility of being lost or mislaid. No notice will be taken of debit or credit balances under five cents.

Sending of Goods.—We will forward all goods by Express,

unless otherwise requested, it being the safest method, as all responsibility for loss or damage not exceeding \$50.00 is assumed by the Express Companies.

No C. O. D. can be sent by mail.

No money should be enclosed in packages of goods.

Letters of advice and bills will always follow shipment of goods by mail.

No goods will be sent on approval or C. O. D., subject to inspection; we warrant all goods advertised to be as represented. Goods made to order or procured especially cannot be exchanged.

Samples.—We cannot intelligently comply with requests for samples unless some approximate idea is given as to style, color and price, thus avoiding delay and much correspondence.

Correspondence.—Please write the name in full, giving Post-Office, County and State; also state the amount of money enclosed. Married ladies will save confusion of accounts by invariably using their husbands' initials.

In ordering goods give style numbers and description
